A Teacher Loan is for 28 days on all materials owned by the Barberton Public Library, except videos and DVDs which are loaned for one week. Materials borrowed from other libraries will be loaned for two weeks. No late fines will be charged on materials borrowed on a teacher loan card, however, an overdue notice will be sent when the materials are late. Items borrowed should be for classroom use only, and are not meant for personal use.

All materials borrowed on the Teacher loan card are the responsibility of the teacher, and you accept financial responsibility for any items which become damaged, lost or stolen. When a teacher loan is six weeks overdue, you will be billed for the replacement cost of those materials as well as a lost item fee for each item.

I agree to observe all rules established by the Library and verify that all information on this application is correct. I will notify the Library immediately if the card is lost or stolen, or if any of this information changes. I understand that the Library is only collecting personal information that is required to obtain a library card and that such information is accessible by all CLEVNET member libraries.
