## BARBERTON PUBLIC LIBRARY ADULT VOLUNTEER APPLICATION

The Library's volunteer program is designed to expand and enhance public service to the community. Volunteers generally provide support services to paid staff and/or work on special projects. Volunteers learn more about the Library and its place in the community and observe first-hand the way the Library serves the community's needs.

A person who would like to volunteer at the Library must complete a volunteer application. If a volunteer opportunity exists, the appropriate department manager, or his or her designee, will review the application, interview appropriate candidates, check references, assign tasks, establish a schedule, and train and supervise the volunteer. The Library will perform a criminal background check before an adult volunteer (age 18 or older) begins working regular shifts. Because they represent the Library to the public, volunteers must adhere to Library policies and standards of behavior.
