

Your Library is more than books!

The Library of Things is a collection of non-traditional materials including equipment, gadgets, tools, games, kits, electronics, and more—all available to check out for free with a library card! We are able to maintain this collection thanks to generous donations from our Friends of the Library.

Need something for a one-time project or want to try before you buy? Explore the collection and discover your next Thing to borrow!

Why do we have a Library of Things?

A "Library of Things Collection" provides access to items that patrons might not be able to purchase due to financial situations, space restrictions, or simple practicality.

A Library of Things promotes sustainability by encouraging sharing, the ability to try before you buy, and access to items that might only be used a handful of times. This collection also encourages patrons to try different hobbies by offering hobby items to try, free of cost!

Guidelines for borrowing:

Patrons must be 18 years or older to check out an item from the Library of Things (with the exception of board games). Patrons may check out up to 3 items per library card. The items may be checked out for 2 weeks.

Limitations apply

There is a minimum of \$1 late fee per day the item is not returned. If items are damaged, missing pieces, lost, etc., the patron must pay a replacement cost for that item. These costs are listed on the Borrower's Agreement signed by the patron at the time of check out.
