LIBRARIAN’S REPORT

Circulation: Hutchison reported that May 2019 circulation was 30,818, up 8.4% from May 2018 and 12% overall from this time last year. eMedia circulation continues to increase, and is up almost 19% from this time last year. In May, 1,149 new items were added, while 1,326 were withdrawn, and staff answered 2,255 reference questions. Program attendance increased 20.55% from this time last year, with 453 people attending 31 library programs. Volunteers contributed 83 hours of time to the library.

Programs & Publicity: The Summer Reading Club Kick-Off Party on June 5 was a huge success. A relatively low door count for the day lead Hutchison to the discovery that the library’s door counter has not been functioning properly and a replacement unit will be installed tomorrow.

In an effort to expand the inclusiveness of BPL’s programming, Children’s Librarian Monica Haney has developed Craft Connections, which is suitable for customers of all ages and abilities. Haney reached out to local service providers for adults with special needs to assess what sort of programming would be the best received.

Ricks entered the meeting at 6:47 p.m.
